

CLYDE RIVER STEAMER CLUB

FINAL CRUISE by TURBINE STEAMER, QUEEN MARY

GOUROCK and LARGS to CAMPBELTOWN

SUNDAY 11th. SEPTEMBER 1977

77 years of turbine steamer operation on the Clyde appears to be running out of steam, and this final scheduled public sailing for 1977 by QUEEN MARY will almost certainly bring to a close a most important chapter of Clyde Steamer History. So this is a cruise that must not be missed. Once again we are delighted to be able to offer this opportunity to cruise by QUEEN MARY at a substantial reduction on the scheduled public fare.
