

M.V. "GARROCH HEAD"

The Clyde River Steamer Club has not been allocated a sailing for the present season. When allocating permits, Strathclyde Regional Council consider applications from the entire Region and, consequently, this facility has become well known and greatly sought by the numerous welfare organisations within the Region.

However, the Jubilee (retired persons) Club, located in Newlands, Glasgow received an allocation for Friday 30th May, 1980 and offered us its surplus permits. Consequently approximately 30 permits are expected from this source. Any members interested should apply immediately by sending a stamped addressed envelope (not smaller than 6"x3½") to :

Mr. J. Robertson, 8 Victoria Circus, GLASGOW G12 9JY

to arrive not later than first post on 15th May.

In the past, many members have asked for two permits but, as we have been invited to provide only part of the complement, applications on behalf of non-members cannot be included in any ballot which may be necessary.

Successful applicants should provide their own food as there is insufficient time in which to ascertain their views regarding catering, the lowest quotation received being in the region of £5 per person.

ISLE OF MAN EXCURSION

Please note that bookings for this outing on 1st/2nd August close at the Annual General Meeting of the Club on 14th May. Any applications should therefore be made without delay.
