

CLYDE RIVER STEAMER CLUB

FIRTH OF CLYDE FERRY LINK - PART ONE - FRIDAY 9th MAY 1986

EVENING BREATHER - GOUROCK / DUNOON / WEMYSS BAY / ROTHESAY / GOUROCK

M. V. SATURN

In Clyde waters, 1986 sees the changeover in duties of existing ferries, the introduction of new ferries, the termination of the Largs / Millport service and the promotion of M.V. KEPPEL as a cruising ship.

Thanks to the courtesy of Caledonian MacBrayne Ltd we have put together two interesting spring outings which allow us to sail on the majority of ships and routes affected by these changes.

Some of the changes referred to above have already taken place, with M.V. JUPITER now the regular Dunoon ferry, M.V. JUNO on the Wemyss Bay/Rothesay run and M.V. SATURN, based at Gourock, operating a new 1A roster. This roster provides us with our first outing, when, on FRIDAY's only, M.V. SATURN sails from Gourock to Dunoon, Wemyss Bay and Rothesay with, prior to the Summer Timetable a light run back to Gourock.

We have made special arrangements for a Clyde River Steamer Club party to sail on FRIDAY EVENING 9th MAY.
