

CLYDE RIVER STEAMER CLUB

NEW YEAR EXCURSION

SATURDAY 3rd JANUARY 1987

WEMYSS BAY / ROTHESAY - RHUBODACH / COLINTRAIVE - DUNOON / GOUROCK

M.V. SATURN - M.V. LOCH RIDDON - M.V. JUNO

The Firth of Clyde Ferry Link outings last Spring proved most interesting and enjoyable. With the newest of the 'Loch' class ferries having recently started on the Kyles Ferry crossing it is felt that a further circular trip by coach utilising the above ferry services would be a most suitable way of bringing in the New Year, giving members the opportunity of 'First Footing' **M.V. LOCH RIDDON.**

Doing the Island Hopscotch 19, in reverse order this time, gives a not too early start and allows an ample mid-day break at Rothesay for lunch.

As it may be necessary to hire more than one coach to accommodate those wishing to travel, members are encouraged to make their bookings as soon as possible, so that the necessary arrangements can be finalised.
