M.V. SUILVEN and M.V. LORD OF THE ISLES

OBAN to CRAIGNURE and TOBERMORY to OBAN

On 14th. October, M.V. SUILVEN will spend her first, and for the time being at least, her only day on the OBAN to MULL service, whilst the regular Mull ferry M.V. ISLE OF MULL takes the Stornoway/Ullapool service, her larger passenger carrying capacity being required to accommodate the increased numbers travelling at the end of the Annual Mod. This change of rosters presents us with a rare opportunity of travelling as a party on M.V. SUILVEN, and our itinerary allows us also to sample the comforts of Calmac's newest acquisition M.V. LORD OF THE ISLES.
