

# CLYDE RIVER STEAMER CLUB

## COACH & CRUISE TO ISLAY (& JURA) 16th APRIL 1994

1994 sees the 25th anniversary of sailings by Western Ferries in Hebridean waters, and the 20th anniversary of the commencement of their Clyde service. Also this year we have the "Isle of Arran" on the Kennacraig to Islay roster, which is still a novelty to many of us. The committee has thus decided to arrange this excursion.

A similar outing some years ago was voted a great success by those who took part, and this time we hope to add, for limited numbers only, the chance to cross on Western Ferries' "Sound of Gigha" to Jura. This is very much dependent upon circumstances on the day, our time of arrival at Port Askaig, etc., and we are grateful to both the shipping companies for being prepared to consider delaying their advertised sailings to accommodate us. Members wishing to take up the option of crossing to Jura should indicate so on the form, but they should not pay the additional £1.00 until it is clear that the trip is possible.

Our return to Glasgow will be made using the popular Clyde / Argyll crossing of Western Ferries (Clyde) Ltd.

Full catering service will be available on board the "Isle of Arran".
