

CLYDE RIVER STEAMER CLUB

GRAND NEW YEAR CHARTER of "CALEDONIAN ISLES"

Saturday 7th January 1995

The committee are delighted to announce the Club's largest-ever-ship charter, and the first ever charter of the "Caledonian Isles".

The vessel is being made available to us for a short trip around the Holy Isle during that part of the day when she would normally lie at Brodick, and the option is available of a three-course lunch in the ship's restaurant, which has already earned a good reputation.

Those members who do not wish to take a walk ashore will be welcome to remain on board the ship at Brodick.

We are very grateful to Caledonian MacBrayne for taking this unusual step with their new ship on our behalf, and for the attractive terms of the charter. We must appreciate that the arrangements must be subject to weather and the Company's operational circumstances on the day.
