

CLYDE RIVER STEAMER CLUB

NEW YEAR CHARTER OF "CALEDONIAN ISLES"

Saturday 6th January 1996

Such was the popularity of last January's charter of the "Caledonian Isles", that the cruise convenor has been prevailed upon to organise something similar for New Year 1996.

As before, the vessel is being made available to us during that part of the day when she would normally lie at Brodick, but this year we hope to cruise northwards past Corrie and Sannox. The many who enjoyed the excellent three-course lunch in the ship's restaurant will be pleased to know that this facility will be available again.

Those members who do not wish to take a walk ashore will be welcome to remain on board at Brodick.

We are very grateful to Caledonian MacBrayne for the attractive terms of the charter, and we must appreciate that the arrangements are subject to weather and the Company's operational circumstances on the day.
