

**New Year Charter of mv "Clansman"
Saturday 9th January 1999**

The Clyde River Steamer Club is delighted to announce the first charter of mv "Clansman", Caledonian -MacBrayne's newest ship. The new ship is scheduled to relieve "Caledonian Isles" on the Arran run from 4th January and the vessel is being made available to the Club for a cruise round Holy Isle during the time she would normally lie at Brodick.

This cruise is similar to New Year excursions in 1995 - 97 on "Caledonian Isles" which have proved to be popular with members. As in previous years members are offered a three course lunch with coffee in the ship's restaurant after the return to Brodick.

Members may remain on board or take a walk ashore.

This is a great opportunity for members to sample Cal-Mac's new ship and it is hoped that the charter will prove popular.

The Club is grateful to Caledonian-MacBrayne for the attractive terms of the charter, but we must appreciate that the arrangements are subject to weather and the Company's operational circumstances on the day.
