New Year Charter of mv "Clansman" Saturday 15th January 2000

Last January the Clyde River Steamer Club had the first charter of mv "Clansman", Caledonian -MacBrayne's latest ship. The day was superb and over 200 members and friends enjoyed a splendid sail to Pladda in excellent conditions. Once again "Clansman" is scheduled to relieve "Caledonian Isles" on the Arran run from early January and the vessel is being made available to the Club during the time she would normally lie at Brodick. To celebrate the year 2000 the cruise is being extended and from Brodick the vessel will sail round Cumbrae for the first time. As in previous years members are offered a three course lunch with coffee in the ship's restaurant. To avoid a lengthy wait for this excellent lunch two sittings will be held if required. Please indicate your preference on the booking form.

On return to Brodick members may remain on board or take a walk ashore.

This is a further opportunity for members to sample Cal-Mac's new vessel while she is on the Clyde and it is hoped that this charter will again be well supported by Club members and their friends.

The Club is grateful to Caledonian-MacBrayne for the attractive terms of the charter, but we must appreciate that the arrangements are subject to weather and the Company's operational circumstances on the day.
