New Year Charter of mv "Clansman" Cruise Round Inchmarnock Saturday 12th January 2002

The Clyde River Steamer Club has again chartered mv "Clansman" while she is the relief vessel on the Arran service for a New Year Cruise, this year for a cruise round the island of Inchmarnock.

We have had superb weather for the last three years and over 200 members and friends have enjoyed splendid sails to Pladda, Round Cumbrae, and to Lochranza Bay. As in previous years a three-course lunch with coffee is available in the ship's restaurant. To avoid a lengthy wait for this excellent lunch two sittings will be held if required. Please indicate your preference on the booking form.

Please note that the normal catering service will not be available during the cruise.

On return to Brodick members may remain on board or take a walk ashore.

It is hoped that this charter will again be well supported by Club members and their friends.

The Club is grateful to Caledonian-MacBrayne for the attractive terms of the charter, but as always, the arrangements are subject to weather and the Company's operational circumstances on the day.
