Autumn Cruise

aboard

on

Saturday 4th September 2004

The Clyde River Steamer Club has chartered Solent and Wight Lines' catamaran "Ali Cat" for a cruise on the upper Firth of Clyde, affording members the opportunity of a very special sailing aboard this comfortable little vessel.

"Ali Cat" will depart from Gourock at 1200, and will head for Millport, where about an hour ashore will allow members to stretch their legs. As we sail to Cumbrae, we shall be calling at a number of piers on the Upper Firth, some of them regular calling places, some less so. Following time ashore at Millport, we shall head back to Gourock again, arriving back there at around 1800. As on the southward journey to Millport, our return routing will be by way of some places of interest. During the cruise, teas, coffees, and light refreshments will be available.

Tickets for this unique afternoon cruise must be purchased in advance. These are available by post only from the Cruising Convenor at the address below, price £16.00 each for adults, and £5.00 for children. A stamped addressed envelope must accompany your booking for return of your tickets.

Please note that the final routing for this cruise will be at the discretion of the Master of the vessel. Please also be aware that this vessel must remain within two hours of Gourock Pier, and that, should Caledonian MacBrayne require the vessel at short notice, the charter may terminate prematurely. In this eventuality, the vessel will return directly to Gourock Pier. In the event of inclement weather an alternative cruise will be offered, however, please be aware when booking that under no circumstances will refunds be offered in such an occurrence.

Passengers are carried subject to the Conditions of Carriage of Solent & Wight Line Cruises Ltd.
