New Year Cruise aboard m.v. "Silver Marlin" on Saturday 15th January 2005

Due to changes in the Winter Timetable for the Arran service, it is no longer possible for the Club to repeat our very successful charters of a large Caledonian MacBrayne ship for our traditional New Year cruise. To offer members an alternative excursion, the Club has instead arranged to charter of one of Loch Lomond's largest cruise vessels, the *Silver Marlin*, for a five hour cruise from Balloch.

As it has been considered that the meal served during the day is also very much part of the occasion, arrangements have been made to have a Finger Buffet served aboard the *Silver Marlin* while we cruise on Loch Lomond. Hot soup will also be available as part of the Buffet.

The cruise will depart from Sweeney's base at Balloch Bridge, just across the road from Balloch Railway Station. Trains from Glasgow (Queen Street) to Balloch depart at 11 minutes and 41 minutes past each hour, and are due to arrive at Balloch at 4 minutes to and 26 minutes past each hour. The best connecting train will, therefore, be the 0911 from Queen Street, which is due to arrive at Balloch at 0956. There is ample car parking available for those who prefer to make their own way to Balloch.

The *Silver Marlin* will sail promptly at 1030, with a return scheduled for 1530, thus allowing us to cruise well up the loch. These timings will also allow the cruise to be back at Balloch before it gets dark.

The price of tickets for this Cruise will be £26 for Adults, with a reduced rate of £16 available for Children. Please note that this cost will also include the price of the Buffet.

The Club Committee hopes that this charter will be well supported by members, their families and friends.

Passengers will be carried subject to the Conditions of Carriage of Sweeney's Cruises Ltd.
This cruise may be subject to alteration, dependant on weather and other circumstances.
