## Unique Cruise

aboard

s.s. "Shieldhall"

on

Wednesday 27th July 2005

The Clyde River Steamer Club has made arrangements for a unique cruise on the upper Firth of Clyde, aboard s.s. "Shieldhall", the last passenger steamer built for service on the Clyde, which in 2005 is celebrating her Golden Jubilee with a return to the river that she was built to serve.

"Shieldhall" will depart from Greenock Customhouse Quay at 1000, and will cruise up Loch Long, into Loch Goil, the Holy Loch and Cowal Coast, before sailing down the Largs Channel and around the Great Cumbrae. It is planned to have time ashore at Rothesay, before returning to Greenock at around 2000. During the cruise, teas, coffees, and light refreshments will be available.

Tickets for this unique day sailing must be purchased in advance - preference will be given to CRSC members when booking, as numbers are strictly limited. Tickets will be available by post only from the Cruising Convenor at the address below, price £30.00 each for adults, and £12.50 for children. A stamped addressed envelope must accompany your booking for return of your tickets.

**Please note that the final routing for this cruise will be at the discretion of the Master of the vessel. In the event that an alternative cruise is offered, please be aware when booking that under no circumstances will refunds be offered in such an occurrence.**

Passengers are carried subject to the Conditions of Carriage of the Solent Steam Packet (Services) Ltd.
