Winter Excursion to Arran

m.v. "Isle of Mull"

on

Saturday 1st December 2007

*Cancelled as
10/11 affected by
weather and diverted to
Gourock*

For our outing this winter, the Committee has decided to opt for a Nominated Excursion aboard m.v. ISLE OF MULL which, for the first time, will be relieving on the Ardrossan to Brodick service while CALEDONIAN ISLES has her annual docking during late November/early December.

The Club has arranged to sail on a double crossing, leaving Ardrossan at 1230, with members remaining on board until the ship returns to Ardrossan at 1735. During our time on board, a table service luncheon has been arranged on board ISLE OF MULL, using her excellent forward dining area.

A copy of the menu for the day is enclosed. Members wishing to book for this excursion are asked to mark their selections, and return the form when booking.

Tickets for this Excursion will cost £26, fully inclusive of travel and the meal. Please note that due to the nature of this excursion, no discount fares can be offered.

Tickets will be available at the November meeting, or by post from:

Eric J Schofield (CRSC)
67 Atholl Drive
Giffnock
GLASGOW G46 6QW

Members booking by post must enclose a Stamped, Self-Addressed Envelope for return of tickets, and please make all remittances payable to 'Clyde River Steamer Club'.

Please note that bookings must be made by Monday 26th November.
