

Clyde River Steamer Club

CLUB CRUISING 2009

In addition to the two nominated excursions aboard *Waverley*, details of which are enclosed, the Clyde River Steamer Club is presently arranging for two further cruising opportunities this summer. The first will be in the next few days when, thanks to Caledonian MacBrayne, Club members are being permitted to sail aboard *Saturn* on her positioning run from Gourock to Brodick. This will take place on **Thursday 11th June 2009** and is likely to be departing from Gourock in the early afternoon. **Tickets for this unusual sailing opportunity will cost £15**, and which will include the sailing from Brodick to Ardrossan aboard *Caledonian Isles* on her 1920 service, due to arrive at Ardrossan at 2015. Limited catering will be available aboard *Saturn* during the sailing.

Members who wish to join *Saturn* for this sailing are asked to contact the Cruising Convenor as soon as possible, preferably by post or by e-mail (john.newth@fireflyuk.net), or by telephone – evenings only please and **NOT after 9.30 pm** – at 01369 706865. Please advise John of the number of places that you wish to reserve, as he will need to advise CalMac of anticipated numbers in advance. Do NOT send any money at this stage – payment will be collected on the day.

The other excursion being planned is another charter of *Ali Cat* during September. Members who would be interested in joining such a sailing are requested to advise John by post – enclosing the tear off slip below – and please do remember to include a stamped, self-addressed envelope, to allow him to send out a Booking Form a little closer to the time.

Please do support the Club by coming along on these excursions – providing unusual cruising opportunities is becoming increasingly difficult and we must make every effort to sail together, with fellow members, as often as we can.
