

CLYDE RIVER STEAMER CLUB

Summer 2011 Cruise Programme

Your Committee have put together a short programme of outings that feature the current three major topics of interest in the Clyde Steamer scene, the final car ferry sailings between **Gourock** and **Dunoon**, support for **P.S.Waverley**, and the new Islay ferry **M.V.Finlaggan**.

Wednesday 29 June

M.V.Saturn's final Upper Firth car ferry sailings will be 2018 from Gourock, returning from Dunoon at 2045 and we would encourage as many members as possible to turn up on that evening to mark this major historical event. No need to book - just turn up on the day, buy your tickets and be part of Clyde Ferry History.
