Mid-Autumn visit aboard

HEBRIDEAN PRINCESS Friday 20th November 2015

We are being treated to a tour of Hebridean Princess at the end of her season as they de store alongside at Greenock Ocean terminal. On our arrival at 1000 we will be taken on board for tea or coffee in the lounge then shown around the ship in four groups to see the areas that are in use for passengers and the other areas normally not seen, like the old car deck, engine room and bridge. We will be ashore around 1130 after which Hebridean Princess will move to the James Watt Dock.

NB The maximum number of people that will be permitted aboard will be 40 – book your place now to avoid disappointment!

There is no cost to Club Members for this visit aboard Hebridean Princess.
