

Stuart Craig's latest book is sure to raise a smile, even if just for the title! Ditching most of his human friends this is the story of his quest to get his furry friend onto all 35 CalMac ferries during the calendar year of 2022.

Embarking on a series of trips around the Clyde and West Coast of Scotland the reader will have to wait till the end to discover the success, or otherwise, of the mission. The book is printed at A5 size with 130 pages and full-colour photographs in a middle section.
